### What's New in the POPUP KILLER?

"I have had this free tool for almost 2 years now, and it has been proven extremely useful. I could not live without it." - Ollie, Editor, Getaroom.com "DigitalByte's Popup Killer is a tool that allows you to block ALL pop-up ads. This is much better than the browsers normally used for Internet browsing, because they are free, but yet offer some adverts. By using Popup Killer, you can block the annoying advertisements that normally appear on each page. It is a Windows program, which can be run from the desktop. All that you need to do is run Popup Killer once, and it will automatically update itself to keep the pop-up ads blocked." - Jane, Cafe "I have been using this tool for a while, and it has been very useful in keeping the annoying pop-up ads out of my way." - John, News.com "It's one of the most convenient utilities I've ever used. I tried many other apps, but they were all far too complicated." - Alexandra, News.com "I have been using this for a few weeks now, and it has been very useful to prevent pop-up ads from interrupting my browsing." - Chris, PCWorld "I am glad I decided to try this tool out, because it has completely put an end to my pop-up problems." - Kenneth, PCWorld "Once again DigitalByte has come out with another useful and useful application that will help block your annoying pop-up ads." - George, PCWorld "The Popup Killer is one of the best tools I have ever used. It has really stopped the annoying pop-ups." - Mike, PCWorld "It is a little annoying when websites that have pop-up ads start to appear.
