
Atapwd - Remover Password De Hdd.zip

Feb 14, 2014 - I just registered on this forum to say thank you to everyone, especially Talantfan. Here's how I did it ... How to unlock a WD hard drive ... The other day, I came across this page. <http://www.hardgrumpy.com/hardware/hardware-review/hdd-information-and-protection-s-a-how-to-unlock-hard-drive-windows-4/> On this page, the author who wrote the review said that he has two hard drives, and he doesn't have access to the one he wants to access. I was glad to hear that. I thought it was a good idea to tell others about everything I learned. So, I wrote a guide to help people solve this problem.
